

The image features a close-up, slightly angled view of a wooden surface composed of horizontal planks. The wood has a warm, light-brown tone with visible grain patterns and knots. A black diagonal banner is superimposed across the center of the image. On this banner, the word "Woodbricks" is written in white. The letter "W" is in a large, elegant, cursive script, while the letters "oodbricks" are in a clean, sans-serif font. A registered trademark symbol (®) is positioned at the top right of the word.

Introducing Woodbricks® brand wall covering with patented Modular Slatwall System, a stylish alternative to traditional wall coverings for business or residential applications. Targeted at those who prefer the warm, natural beauty of wood over the sterile lines of modern commercial products, Woodbricks can be used alone to finish almost any surface or with our Modular Slatwall System to create displays that are not only functional, but beautiful. Woodbricks wall covering and patented Modular Slatwall System are custom made to meet your particular project needs. With the variety of wood species and finishing options available, the possibilities are endless for creating unique, fashionable and elegant looking libraries, offices, kitchens, commercial displays...you name it!

Mixed species fireplace that features both horizontal and vertical Woodbricks.

Walnut office application featuring three specifically placed Slatwall rails. Brackets are available at www.stringswing.com.

Our patented Modular Slatwall System has great potential for a variety of collectors.

You can use Woodbricks® brand wall covering in kitchens and dining rooms, in dens and libraries, around decks and garages, and in offices and retail stores. Combine Woodbricks wall covering with our Modular Slatwall System to create one-of-a-kind storage systems for offices and product displays. The options are limitless. And the quality of Woodbricks wall covering and Modular Slatwall System are guaranteed.

At Lamb Hardwood Lumber, Inc. we believe that a company has to give you a reason to do business with them. Our reason is *quality*. We pride ourselves in manufacturing hardwood products that are the finest in the industry. Woodbricks brand wall covering and Modular Slatwall System are easy to install. If you have a question we are ready to assist. Simply contact us with a call or email.

The applications for Woodbricks are limitless. Here is a skylight application as well as a decorative exterior option for under a porch.

Lamb Hardwood Lumber offers a variety of additional hardwood products and services. We make specialty mouldings for any taste or budget. If you are remodeling or restoring, we customize to match existing trim. Our hardwood flooring is superior in quality. It comes in 2 1/4", 3 1/4" and 4 1/4" widths and 4-10' lengths. We also manufacture base blocks and rosettes to simplify trim installation. All of our products are kiln dried to 6-8% moisture

content and come bundled for handling. Let us be your one-stop-shop for your flooring, trim and lumber needs! Call or visit us online.
